RE : MONTEZ DIST.

Dear Sir:

I have received your letter of February 26 relating the Bryant complaint against the Dry Gulch Irrigation Company on Montez creek.

It is expected that within a few days a meeting will be held in the Basin relating various distribution districts, at which time it is intended to try to hold a meeting with the officials of your company, including yourself of course, and Mr. Bryant and Mr. Hoyt.

I hope in some way this annoying matter can be adjusted. The meeting as proposed will at least be a means of getting at the facts and possibly lead to some amicable adjustment.

Yours very truly,

T.H. Humpherys,
